What information Tanmay collects

Tanmay's primary purpose in collecting information is to provide you with a safe, efficient and customized experience and to provide you with Services and features that better meet your needs or requests.

1. Personal Information

Tanmay does collect Personal Information about you. "Personal Information" means personally identifiable information, such as your phone status, identity, device storage, device id, call information, etc. However, this information is needed for the third-party ad network MobileCore, which is now disabled. Hence no information is collected or stored by the app or the developer in any means. Hence it is safe.

2. Non-Personal Information

Tanmay collects non-personal information(Device ID) about your use of his Apps and aggregated information regarding the usages of the Apps. "Non-Personal Information" means information that is of an anonymous nature, such as the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, and information about the way you use the Applications.

How Tanmay uses the information that he collects

1. Personal Information.

Tanmay does NOT use or shares Personal Information in any way.

2. Non-personal Information.

Generally non-personal information is used internally to monitor and improve the Services, to perform analyses of the behavior of the users, to measure user demographics and interests, to describe my services to third parties such as advertisers and to analyze how and where best to use my resources. Tanmay does not combine Non-Personal Information with Personal Information.

How Tanmay shares the information that he collects

1. Personal Information.

Tanmay does NOT share Personal Information in any way.

2. Non-personal information.

Tanmay accepts advertisements from Third Parties ad networks which may be displayed in his Apps. He may share certain information with third-party advertisers, ad networks and ad platforms ("Advertising Entities") to develop and deliver targeted advertising in the Apps. He may also allow Advertising Entities to collect non-personal information within the Services which they may share with him, including your device identifier, device type, device brand, device model, network type, device language, and IP address. Advertising entities may also collect non-personal information related to the performance of the advertisements, such as how many times an advertisement is shown, how long an advertisement is viewed, and any click-throughs of an advertisement.

Links to third-party websites and services

The Apps may contain links to other websites and online services, including third-party advertisements. If you choose to click through to one of these other websites or online services, please note that any information you may provide will be subject to the privacy policy and other terms and conditions of that websites or service, and not to this Privacy Policy. Tanmay does not control third-party websites or services, and the fact that a link to such a website or service appears in the Apps does not mean that he endorses them or has

approved their policies or practices relating to user information. Before providing any information to any third-party website or service, Tanmay encourages you to review the privacy policy and other terms and conditions of that website or service. You agree that Tanmay Kulkarni will have no liability for any matters relating to a third-party website or service that you provide information to, including their collection and handling of that information.

Although Tanmay does not collect any Personal Information, the Applications, the Services and the Site use third party services, which may do so. These services are:

MobileCore : <https://www.mobilecore.com/privacy-policy/>

Google AdMob : <https://support.google.com/admob/answer/6128543?hl=en>

Compliance with laws and law enforcement

Tanmay Kulkarni reserves the right to share your information with third parties if he believes such action is necessary in order to: (1) conform with the requirements of the law or to comply with legal process served upon him; (2) protect or defend his legal rights or property (3) investigate, prevent or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person or violations of the terms and conditions of using his Apps and Services.

Changes to this Privacy Policy

This Privacy Policy may be updated from time to time for any reason. Your continued use of the Apps and Services following the posting of changes will mean you accept those changes.
